Hi Misty,

Happy New Year to you too!

Culver City is an incorporated city and not part of the City of Los Angeles. Here is a link to their website: <http://www.culvercity.org/work/doing-business/business-districts>

I'm not sure how similar their MDP and ER would be to those of BIDs in L.A. You might want to check out our own BIDs on our website: <http://clerk.lacity.org/business-improvement-districts>

Wondering if you could send me the MDP and the Engineers report for the Culver City Arts District. I looked for it on the LACity website and couldn't find it on there.
